No 1019

OFFICE OF THE CHAIRMAN
CITY IMPROVEMENT TRUST BOARD MYSORE
Dated 14th February 1928

me 267-27-1

FROM

C S KUPPUSWAMAIENGAR ESQ
Chairman City Improvement Trust Board
Mysore

To

The Chief Secretary
to the Government of His Highness the
Maharaja of Mysore

SIR,

I have the honour to state that in the majority of cases the middle and low class houses in the various parts of the City not having pukka internal drains to lead off the sewage efficiently to the street sewers notices will have to be issued to the parties concerned asking them to set right the internal drainage within a reasonable time If they fail to do so the work will be carried out departmentally and the cost recovered from them as a revenue demand

2 Our experience is that there is great difficulty in getting the work done by the parties themselves with the result that it is carried out and payment to contractor made by the Trust Board in the first instance and the cost recovered afterwards from the parties as a revenue demand To meet such charges a sum of Rs 5 000/- is provided in the current year's budget (vide item No 22)

3 As payments are made to contractors the amount will be debited to a new head viz "objection book advances" to be opened in the accounts and recoveries credited to the same head as instructed by the Comptroller in his No 1006/W&D I dated 8th February 1928

4 I request that sanction of Government may kindly be

communicated to open the above new head in the accounts as required by the Comptroller

I have the honour to be,

Sir,

Your most obedient servant,

Chairman
